Sesiones musicales empleando bandas sonoras de series de televisión. Mayo 2020 - Abril 2021

<https://www.mixcloud.com/cantzz>

Durante los meses de confinamiento decretado por el Estado de Alarma como medida de contención ante la COVID-19, traté de analizar, reflexionar, valorar, hacer balance, de un nuevo tiempo que a muchos de nosotros se nos abría en nuestros espacios de convivencia. Una oportunidad para leer, para investigar, para desarrollar trabajos e ideas acumuladas, para propiciar nuevos retos, nuevas oportunidades, pero también para tirarse a la bartola, para no hacer nada, para desconectar, para descansar, para imaginar....

En este devenir impreciso, transité por diversas ideas y especulaciones las cuales he tratado de articular y extender en la serie de acciones propuestas para esta exhibición:
